GALN®

PROFESSIONAL INDUSTRIAL BRAND

ABOUT GALN

PROFESSIONAL INDUSTRIAL SOLUTIONS

GALN is a trusted industrial brand delivering innovative, reliable, and cost-effective equipment for professionals in construction, manufacturing, maintenance, and industrial applications worldwide.

RELIABLE QUALITY

Engineered for the toughest jobs with strict quality standards and consistent performance.

OEM MANUFACTURING

We provide OEM and Private Label manufacturing services tailored to your brand and market needs.

GLOBAL DISTRIBUTION

Serving partners and customers in 50+ countries with efficient logistics and strong local support.

OUR VISION

To become one of the most trusted industrial equipment brands by delivering innovative, reliable, and cost-effective solutions to customers worldwide.

QUALITY COMMITMENT

Every GALN product is manufactured under strict quality standards using carefully selected materials and advanced production processes to ensure consistent performance, safety, and long service life.

OEM & PRIVATE LABEL

We offer OEM and Private Label manufacturing services, allowing partners and distributors to customize products, branding, packaging, and specifications according to market requirements.

AFTER-SALES SUPPORT

Our professional team is always ready to provide technical support, spare parts, and service to ensure maximum customer satisfaction and long-term partnership.

BX1 SERIES AC ARC WELDING MACHINES

Built with high quality copper transformer, GALN BX1 series delivers excellent arc stability, deep penetration, and reliable performance in heavy duty applications.

PRODUCT HIGHLIGHTS

- ✓ Heavy Duty Copper Transformer
- ✓ Stable Arc Performance
- ✓ Deep Weld Penetration
- ✓ Low Spatter
- ✓ Easy Maintenance
- ✓ Rugged Industrial Construction
- ✓ Long Service Life
- ✓ Suitable for Continuous Operation

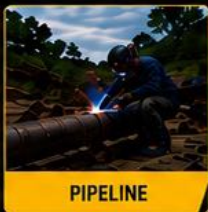

- POWERFUL PERFORMANCE

TB-460

TECHNICAL SPECIFICATIONS ///

SPECIFICATION	TB-460
Product Size (LxWxH)	460 x 200 x 190 mm
Packing Size	50 x 45 x 23.5 CM
G.W.	8 KGS
Quantity	2 PCS

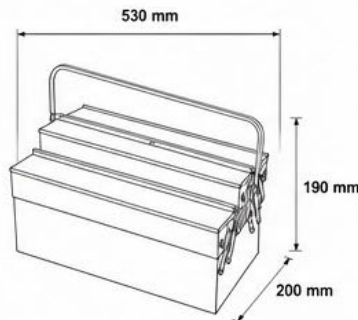

TB-530

TECHNICAL SPECIFICATIONS ///

SPECIFICATION	TB-530
Product Size (LxWxH)	530 x 200 x 190 mm
Packing Size	55 x 45 x 23.5 CM
G.W.	9 KGS
Quantity	2 PCS

PRODUCT FEATURES ///

- ✓ Multi-layer cantilever design
- ✓ Strong and durable steel body
- ✓ Powder coated surface
- ✓ Easy to open and close
- ✓ Heavy duty handle for portability

SMOOTH OPENING MECHANISM

Cantilever design for easy access to all compartments.
